Abstract Number _____	Title _____	First Author _____

## Supporting Documents for Trainee Travel and Trainee Meritorious Award Applications

When applying for a Trainee Travel Award, please note that the following supporting documentation **MUST** be submitted with the Award Application:

1. Abstract submission to Experimental Biology 2020 to one (or more) ASIP topic categories.
2. A current copy of your Curriculum Vitae (CV).
3. A Letter of Recommendation on Institutional letterhead from your Supervisor, Principal Investigator, Department Chair, or Instructor attesting to your contribution as an author and your potential as a biomedical research investigator.

If you are applying for an Experimental Pathologist-in-Training (EPIT) Award or an Experimental Pathologist-in-Graduate Training (EPIGT) Award, please note that the following supporting documentation **MUST** be submitted with the Award Application:

1. Abstract submission to Experimental Biology 2020 to one (or more) ASIP topic categories.
2. A current copy of your Curriculum Vitae (CV).
3. An extended research report (not to exceed 750 words nor include more than one table and one figure).
4. A Letter of Recommendation on Institutional letterhead from your Supervisor, Principal Investigator, Department Chair, or Instructor attesting to your contribution as an author and your potential as a biomedical research investigator.

Failure to submit these documents will result in disqualification of your application. To view the full listing of ASIP award offerings and the award requirements, please visit <http://www.asip.org/awards>.

If you have any questions, please contact [awards@asip.org](mailto:awards@asip.org).
